# *SMART MIRRORS*

FUNCTIONAL AND STYLISH

# 2021 CATALOGUE

## TOUCH SCREEN

Full HD touch screen display with different sizes which will make you forget you're looking at a mirror.

## ANDROID OS

Familiar user interface compatible with your favourite mobile apps, no worries here.

## WATER AND DUSTPROOF

Water and dust resistant housing with IP65 certificate to support the claim.  
With auto-defog function.

## SPEAKERS

Integrated speakers are here to ensure maximum fun with music and videos.

# 2021 CATALOGUE

## WIFI AND BLUETOOTH

For reliable connection here's WiFi technology that we all know and also Bluetooth for connecting with accessories and gadgets.

## HOSPITALITY

Custom logo can be put on large orders for hotels and also we can load smart mirrors with IPTV app.

## DIGITAL SIGNAGE

Mirrors like this one can be used in supermarkets, cafe bathrooms or any other place to display custom marketing content and offers.

## LED LIGHT

We offer a few different collections of smart mirrors, some vertical, some landscape, some with LED light, and even round ones.

## *SKIN MOISTURE ANALYZER*

It analyzes your skin's moisture and displays it via Bluetooth on a smart mirror.

Monitoring skin moisture statistics with graphs sorted by days/months.

## *BODY SCALE*

Automatic real time data transfer when weighing via Bluetooth on a smart mirror.  
Very easy tracking of weight statistics by days/months, great for future transformations.

*PROVIDING  
TOP-QUALITY  
MIRRORS THAT  
MIXES BOTH  
FUNCTION  
AND DESIGN.*
